

We are pleased to announce that Menlo Medical Clinic is adding a second location at 321 Middlefield Road in Menlo Park to better serve you.

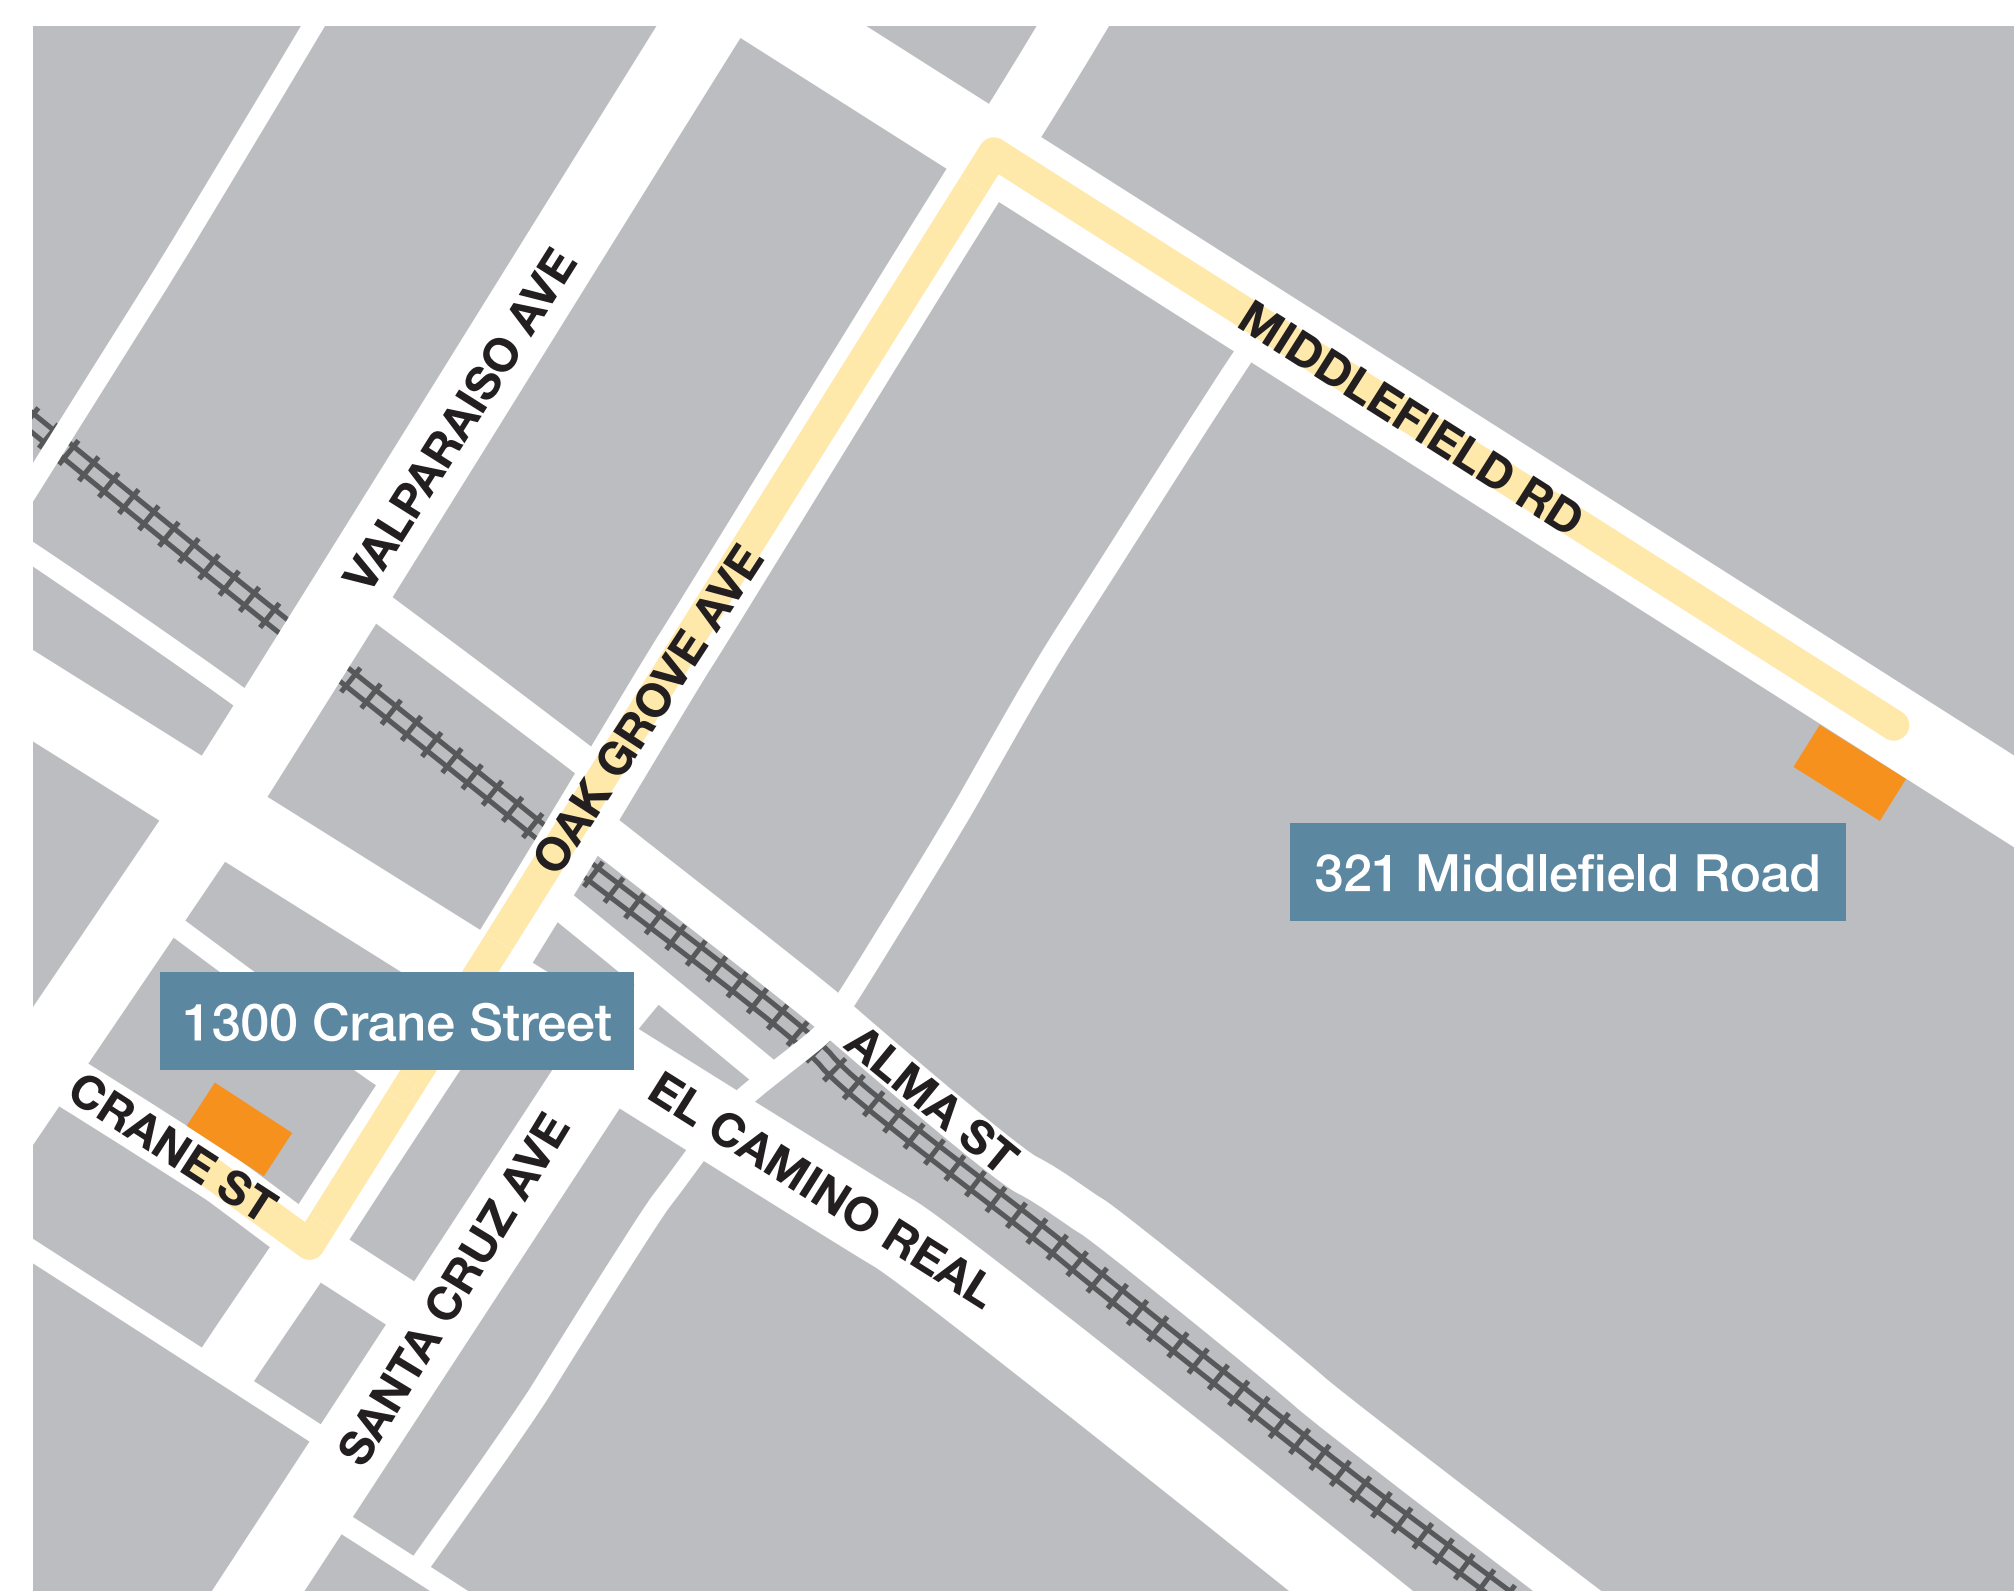

Both clinic locations will be available to provide a full spectrum of medical services. The opening date for our new clinic is scheduled for **Monday, December 7, 2009**. Our main telephone number will remain the same: **650-498-6500**. Services provided at each clinic are listed below. Lab and x-ray will be available at both locations.
